First, what is the NBRC?
What do we fund?

- Transportation Infrastructure
- Communications Infrastructure
- Basic Infrastructure
- Workforce Development
- Entrepreneurship and Business Assistance
- Basic Health Care and Other Public Services
- Conservation, Tourism, and Recreation
- Renewable and Alternative Energy Projects
Who do we fund?

Municipalities

Counties

Non Profits

States of Maine, New Hampshire, Vermont, and New York
How can NBRC investments most strategically help the region capitalize on its natural assets as a basis for enduring economic health in the region?
Challenges for the NBRC

- Young agency, understaffed
- Lack of planning, needing to focus efforts
- Identifying high impact and transformational projects
- Funding
Opportunities for us all

Young agency, understaffed, flexible

Lack of planning, needing to focus efforts

Identifying high impact and transformational projects

Funding

Five Million Dollars!
Opportunity for you

Help us plan for the future and transform our region

Develop a relationship with NBRC staff; we want to know local leaders!

Share your project or idea
Thank you!
